## ELECTION SENSATION

RECOVERY FROM NORTH RIVER  
OF BALLOT BOXES USED AT  
NEW YORK POLLS.

## CASE UNDER INVESTIGATION

INTERESTING AND SPECTACULAR  
FEATURES DEVELOP AS CON-  
TEST PROCEEDS.

New York, Nov. 10.—Attorney General Mayer stated late at night that he had received information of recovery from the North river of certain ballot boxes used in the election of Tuesday last. He said the matter was under investigation.

Attorney General Mayer left his office at midnight, saying expected developments had not taken place and that nothing could be gained by his remaining down town longer. Mr. Mayer refused to discuss the reported finding of the ballot boxes in the river further than to say that such reports had come to him, it being said the boxes were picked up by a tug.

A ballot box alleged to have been stolen and discovered by accident was taken to District Attorney Jerome's office and closely examined.

## WILL BE THOROUGH

INVESTIGATION OF THE ELEC-  
TION IN NEW YORK WELL  
UNDER WAY.

New York, Nov. 10.—The contest over the mayoralty election inaugurated by William Randolph Hearst, the Municipal Ownership candidate, developed interesting and spectacular features during the day.

For twelve hours the boxes containing nearly 600,000 ballots cast in last Tuesday's election choked the streets in the vicinity of the headquarters of the board of elections in Sixth avenue, between Forty-first and Forty-second streets. The ballot boxes had been gathered during the night by the police and conveyed in patrol wagons to the election board's headquarters. There the officials refused to receive the ballot boxes, and the police, acting under a court order signed by Justice Gaynor compelling the police authorities to turn the ballots over to the election board, had nothing to do but remain outside and await the pleasure of the election officials.

Apprised of the situation the attorneys for Mr. Hearst appeared before Justice Biekey of the state supreme

court and secured from him an order compelling John R. Voorhis, president of the board of elections, to accept the ballots. The order was served promptly and the ballots then were received for by the election board. Under strong guards the patrol wagons containing the boxes were driven to various warehouses in this city and Brooklyn, where the ballots were stored subject to the orders of the election board.

Another feature of the contest was the announcement by the Citizens' union that it would join the forces investigating the

Charges of Fraud and Wrongdoing at Tuesday's election, its prime object being to secure a new election law for the state of New York.

The attorney general received a large bundle of subpoenas from the district attorney and immediately put several election deputies at work serving them.

Charges that several ballot boxes had been stolen before the returns were reported and that others were found unsealed were made during the day. The investigation of the election promises to be the most thorough ever made in New York city.

Mayor McClellan has engaged counsel, among them being Alton B. Parker, ex-judge of the court of appeals and Democratic candidate for president last year, to represent him during the mayoralty contest.

A statement has been issued from Mr. Hearst's headquarters saying that an examination of the alleged defective ballots which were thrown out on election day shows more than 8,000 which he declares should have been counted for him. It is asserted that these ballots were marked with a cross beneath the Municipal Ownership emblem and in the circle over Mr. Jerome's name. Mr. Hearst says these ballots should be counted for him pending a judicial decision as to their validity. He asserts that if these were accredited to him he would be elected without a recount of the entire vote.

Policemen have been detailed to guard the various warehouses where the ballots are stored.

## Little Change in Maryland.

Baltimore, Nov. 10.—The only changes indicated by latest returns from the election of last Tuesday affect the lower house of the state legislature, which, it is now indicated, will be made up of 51 Democrats, 47 Republicans and 3 Independent Democrats, a loss to the Democrats of two members as compared with previous reports.

## STATEMENT BY M'CLELLAN.

Will Use Legitimate Means to Protect His Rights.

New York, Nov. 10.—Mayor McClellan made public the following statement:

"The election returns show my election by the plurality of 4,180 votes. These returns are the result of procedure prescribed by the law and they are expressly declared by the law to be presumptively correct. I believe they are correct. Therefore, I will take all legitimate means to protect my rights as well as those of the voters. If my adversary appeals to the law to overthrow what are now the legal returns of the results of the election I will meet him fully prepared to vindicate these results. To the courts, where these differences must be passed upon, every candidate and every citizen should readily submit."

## DEMOCRATIC TREASURER.

Pennsylvania Official Elected by Large Plurality.

Philadelphia, Nov. 10.—Incomplete returns from various parts of the state indicate the election of Berry (Dem.) for state treasurer by a large plurality. Republican strongholds are showing unexpected gains for Berry. Lancaster county, normally Republican by 10,000, is in doubt. Dauphin county, in which Harrisburg is located, another Republican stronghold, gives Berry 1,500 plurality. Other Republican counties show the same enormous Republican losses. Berry, nominated as a Democrat, was endorsed by the Independent Republicans and the Prohibitionists. The state treasury has been under Republican control since 1889. Roosevelt's plurality last year was 504,000.

## NEW MAYOR OF MEMPHIS.

Entire Independent Ticket Is Probably Elected.

Memphis, Tenn., Nov. 10.—James H. Malone, one of the best known lawyers in Tennessee, was during the day elected on an Independent Democratic ticket, defeating J. J. Williams, Democrat, who has held the office eight years. The entire independent ticket is probably elected. Administration leaders charge that gross frauds were committed in several wards and it is stated that the announced result may be contested.

## POINTS OUT EXISTING EVILS.

Congressman . . Townsend . . Discusses  
Railway Rate Legislation.

Greenville, Mich., Nov. 10.—Congressman Charles E. Townsend of Jackson, Mich., one of the authors of the Esch-Townsend railroad rate bill, delivered an address here at the annual banquet of the Greenville Republican club, his subject being railroad rate legislation. Congressman Townsend charged that the railroad men had misrepresented this question to the people. He pointed out existing evils and the necessity for curing them and answered some of the arguments that have been raised against conferring ratemaking power upon the interstate commerce commission.

Instead of the government proposing to dictate to individuals or companies just how much profit they shall make in their business, he said, it simply intends to have them do business on a fair basis. The purpose of the pro-

posed reforms, he said, is to stop the practice of charging one man more than another for the same service. Congressman Townsend gave instances of discrimination in rates by railway companies under the present system. This system must be corrected, he said, by legislation and the interstate commerce commission must be given authority to regulate the wrongs that now exist.

## Professor Otto Hoyer Is Dead.

Watertown, Wis., Nov. 10.—Professor Otto D. Hoyer, professor of Latin and German in Northwestern university, is dead. He had suffered for the past year of heart disease. He graduated in the first class of Northwestern university and entered the Lutheran ministry, having charges at St. Paul and Neenah, Wis. He was president of the Lutheran seminary at New Ulm, Minn., for eight years, and was professor of Latin at the Saginaw (Mich.) seminary two years.

who Thursday night was married to Randolph C. Johnson at Perguins, N. C., was found dead in her bridal chamber in the morning with a pistol in her hand and a bullet through her head. Johnson was lying across the bed dead with three bullets through his breast.

Johnson had loved Miss Hope since her early childhood. He was twenty-eight years old and she but seventeen. After their wedding a large supper and dance followed and about midnight the couple drove to the home the groom had prepared. Their nonappearance about the house in the morning caused inquiry and when the door of their room was broken the woman was found lying in a pool of blood before her dresser with a pistol in her hand and her brains oozing from the wound in her head.

Johnson's wounds were in the left breast, the left temple and a grazing wound on the cheek. Either of the first two would have proved fatal. No motive for the tragedy can be learned.

## JURY BLAMES MRS. 'BRENNAN.

Accuses Stepmother of Shooting Children and Herself.

Minneapolis, Nov. 10.—Mrs. Stella Brennan stands positively accused by a coroner's jury of having murdered her stepdaughter, Elizabeth Brennan, one of the three children of James Brennan, who were killed in their beds at 1622 Fifth avenue north last Friday night, when Thomas, the oldest child of the family, and the accused woman herself were wounded.

Thomas Brennan, the only one of the children who escaped death, was called to tell his story of what occurred. His testimony on the essential points of the tragedy did not differ materially from what he told the detectives at the time he was taken to the hospital.

## BURNS HIMSELF TO DEATH.

Man Serving Sentence for Drunkenness in Newark Jail.

Newark, N. J., Nov. 10.—Michael McDermott, who was serving a sentence for drunkenness, burned himself to death in a padded cell of the county jail here, the smoke from the fire and the odor of the burning flesh creating a panic among the hundred prisoners in the jail which required the best efforts of the keepers to subdue. Men and women who had made frantic efforts to tear away the iron bars of their cell doors were in such a condition after quiet had been restored that medical attention was necessary. The excitement in the jail was intense.

## REV. THOMAS F. DAVIES DEAD.

Bishop of the Episcopal Diocese of Michigan.

Detroit, Nov. 10.—Right Rev. Thomas Davies, D. D., LL. D., bishop of the Episcopal diocese of Michigan, died during the night of pneumonia at his home in this city. Bishop Davies was seventy-four years of age and had been executive head of the diocese of that church since 1889. He is survived by his widow, two daughters, Mrs. H. S. Haines and Miss Marian Davies of Detroit, and a son, Rev. Thomas F. Davies, Jr., rector of All Saints' church, Worcester, Mass. The funeral will be held Monday in Detroit.

## THE BIG SHAFT IS DELUGED

Work is Suspended on the Pickands-Mather Company Shaft On Account of Water

### GOOD VEIN OF ORE IS STRUCK

Just Before the Water was Encountered—Another Boiler And Pump Ordered

There is more trouble on account of water in the big Pickands-Mather company shaft, a vein of water which completely deluged the shaft having been struck at a point about 50 feet in the cross-cut.

Just before the water was encountered, however, a rich vein of high grade ore is said to have been struck which is of more encouragement than anything that has yet been encountered on the Cuyuna range.

So good are the prospects since this vein was struck that extra means have been provided for to take care of the water. A new boiler and another large pump has been ordered which will be placed in position as soon as it arrives. This will make three huge pumps in operation and it is thought that they will have capacity enough to keep all the water out.

## BUSINESS MEN FORM SYNDICATE

For the Purpose of Buying up  
City and County Property  
On Delinquent List

## AN IMPORTANT MOVE MADE

Prompted by the Fact that Taxes  
Are Made Exorbitant by  
Nonpayment of Taxes

There was a meeting last night of a large number of business men, called for the purpose of forming a syndicate to take up a large part of land and city property on the delinquent tax list now being offered for sale by County Auditor Mahlum. A substantial pool was formed for the purpose and it is anticipated that within a short time much of this property will be taken up.

To the uninterested this sort of a syndicate might at first not seem to work real benefit but when it is known that the business men who met last night are doing this for the purpose of lessening the taxes of the city and county then the plan will meet with the approval of all.

Attention will be particularly paid to city property and they will at once enter into negotiations with the county auditor. In the city alone there is approximately \$100,000 of delinquent tax, and in many instances the property owners are abundantly able to pay their taxes. The purpose of the syndicate is to eradicate the element that do not or will not pay taxes on their property, thus burdening those who do pay taxes with even greater amounts than they should pay for the support and maintenance of the city, county, and state governments.

When the taxes become delinquent the burden becomes heavier each year, for there is a certain amount of money that must be raised to conduct public affairs, and then too there is the added expense annually of taking care of these lists. In this county during the past year \$2,504 alone was expended for stationery and supplies to handle these lists besides the extra help and other incidental expenses connected therewith.

The purpose of this syndicate then is to lessen the tax and to this end the pool has been formed and there will be much turning over of real estate both in the city and the county.

Set a Gun for a Deer and He Himself  
Stepped Into the Trap and was  
Killed

W. F. Caldwell, of Aitkin, was killed near Big Willow river, sixteen miles north of Aitkin. He was building a house for W. E. Dean, an Iowa man, and Tuesday night he set a gun for deer. The following morning, forgetting where he set the gun, he ran into it. He was shot in the leg above the knee and died a short time afterwards. He was about 50 years of age.

## LIGHTS WILL BE OFF

Break Down at Electric Light Plant  
Necessitates Shutting Off Lights in  
Residence Portion

Just before dinner the main pulley at the electric light power house was smashed into a thousand pieces and as a result a large portion of the plant will be compelled to shut down for ten days or two weeks. During that time the lights on the northside, East Brainerd and Southeast Brainerd will be shut off so householders in those localities will govern themselves accordingly.

It will take at least ten days to get a new pulley as it was necessary to send to Dayton, Ohio, to the manufacturers, to get a new one, and this cannot be done in less time than ten days.

## WEATHER IS NOT GOOD

Today is the Opening of the Deer Season,  
But the Weather is Most Unfavorable for Hunting

The open season for deer started today and so far there have been fewer men who went into the woods than on the first day of the open season for many years. The weather conditions have considerable to do with this. The weather at present is most unfavorable for hunting deer and unless there is a change there will be very little of this game brought down.

## MUSIC AND DRAMA.

### "DOWN BY THE SEA."

The successful playwright is one who can properly blend the elements of pathos and comedy. The author of "Down by the Sea," has done his work successfully and a more pleasing dramatic entertainment has not been seen on the stage for a long time. It is a play full of human interest; tender sentiment, manly spirit and wholesome comedy. Those who fancy "Down by the Sea" a sort of "blood and thunder" melodrama will find themselves deceived by a series of stage pictures as unique and delightful as those in "Way Down East" and "Shore Acres." The acting company have been prominent previously seen here in good roles with stars and companies. The attraction will be seen here soon. Special scenery is carried for every act and new and up-to-date specialties will add to the production.

## TEACHERS VISIT SCHOOLS OF CITY

Little Falls Teachers Here Today  
And Visit Different Schools  
Of City

## A COMPLIMENT TO BRAINERD

Excellent System in the Schools  
Of Brainerd Brings Them  
Here at This Time

Twenty-seven teachers from the Little Falls schools arrived the city this morning and are spending the day going through the different rooms in the various buildings.

Supt. H. E. White, of the Little Falls schools, is chaperoning the young ladies and they have spent a most profitable and interesting day. It is no small compliment to Brainerd at this time to have the Little Falls teachers visit here, as formerly it has been a custom of the teachers to either visit the St. Cloud or Minneapolis and St. Paul schools one day of the year. Last spring Supt. White visited various schools in the state to ascertain the results with a view to taking the teachers to the schools where the best work was being accomplished. After a thorough investigation the Brainerd schools were selected as being about as near perfection as any other school that he visited.

Among the teachers who are present today are:

Central School—Elsie MacMartin, Beginning, Bessie Burrall, A 1; Rowena Brewster, 2; Mary MacArthur, 3; M. P. Costello, 4; Belle H. Hodge, 5 and 6; Grace Chalgren, 7.

Columbia—Dora Young, A 1 and 2; Rose Vasaly, 2 and 3; May Simmons, 4 and 5; Thori Swanson, 8; Sigrid Swanson, 6 and 7.

Hawthorne—Jessie Potter, Beginning; Clara Kiof, A 1; Etta Patterson, 2nd; Lillian Ireland, 3 and 4; Gertrude Alley, 5; Emily Mosford, 6; Sadie Barton, principal and 8.

Lincoln—Clara Schibursky, Beginning; Louise Fahey, A 1; Florence Christianson, 2; Narcissa Cundy, 3; Clara Belanger, 4; Villa Wallace, principal and 5; Jennie Ready, 6 and 7.

Deerwood is also represented here today, Prof. F. N. Burrall and Miss Clark, the two teachers there, having arrived this morning to visit the schools also. The teachers were all entertained at luncheon today.

## Edward Baxter Perry

Mr. Edward Baxter Perry will be seen at the First Congregational church on Monday evening, Nov. 13. The Paris Messenger has the following to say regarding this artist: "Last evening Mr. E. Baxter Perry, of Boston, gave a program which taxed every resource of the modern virtuoso, and showed a technical grasp and scholarship seldom equalled, even in these days when the piano is supposed to have yielded all its secrets. He is entitled to a high rank among the players of the world."

## SHOT THROUGH THE HEART.

Wisconsin Man Murdered While Driving Along Road.

Marquette, Wis., Nov. 10.—Frank Lucas of Menominee was murdered late in the afternoon while driving along the state road north of here, a rifle bullet entering his heart. A coroner's jury found Lucas died by a shot fired by unknown persons. It was at first believed the shot was accidental, but an investigation showed there was a clearing on each side of the road giving a view for some distance and the shot was fired from a clump of bushes near the road. Lucas leaves a family.

## A STRENUOUS PARSON

Rev. Harry Knowles Has Rather an Exciting Experience While Duck Hunting

Rev. H. W. Knowles, the able and versatile pastor of the M. E. church is very fond of hunting and fishing, and in his endeavor to enjoy the sport has had some very exciting experiences, but the doughty divine always comes out on the top. His latest experience in duck hunting we give in his own words as related to THE DISPATCH:

"You do not know—do you—that I dropped 15 ducks with three shots last Saturday—got ten—and fell with four ducks in one hand and my gun in the other into the river. I turned under water three times before I could get my feet and get out. My duck boots kept my feet up while I was on my back—and when I managed to get right side up they dragged me down with their weight of water. It was five hours before I got a change of clothes. Came out all right. Not so bad for a tender foot. Sorry I could not get the other ducks, but they fell in the woods, save one, and that dove and got away in hiding. I was only 30 minutes getting the ducks and the ducking. Swift work that."

## ACKNOWLEDGE IT.

Brainerd Has To Bow To The Inevitable—Scores Of Citizens Prove It

After the reader has read the public statement of this representative citizen of Brainerd given below, he must fairly, squarely and honestly come to this conclusion: "A remedy which cured years ago, which had kept the party in good health since, can be relied upon to perform the same work under similar circumstances. Read this:

Chris Hanson, of 1412 E. Oak St., Brainerd, Minn., says: "The lapse of time has not diminished my confidence in Doan's Kidney Pills which I recommended in a testimonial given in 1898. As I stated at that time, we found this remedy to be a sure cure for children afflicted with weakness of the kidneys. Our boy has been troubled in this way at night, but Doan's Kidney Pills which we got at H. P. Dunn & Co.'s drug store, gave him prompt and effective relief. Since then I have used Doan's Kidney Pills myself for backache and they banished my trouble in short time."

## AFTER TEN YEARS

Suffering, Wife of the Prominent Attorney is Relieved in the Most Peculiar Manner.

Wife of Mrs. Herbert E. Day, wife of the prominent attorney of that name, living at No. 3701, Pleasant Ave., Minneapolis, Minn., are marveling at the wonderful change in her appearance.

Mrs. Day has suffered for about ten years with an affection of the stomach that seemed to yield to treatment and which grew worse and worse until she was very unlike her former self.

When Mr. Cooper the philanthropist, recently visited Minneapolis and the city was talking about the new medical wonder, Mrs. Day heard of the famous cures that were being effected with Cooper's New Discovery.

She determined to try it and is now rejoicing at the wonderful benefit she has received. In a recent letter to Mr. Cooper she said: "My old trouble is fast disappearing. After ten years of wakeful nights and poor appetite, I appreciate the refreshing rest that I have enjoyed since I began taking the New Discovery medicine, and to have once more a good appetite with a perfect digestion is indeed a blessing. My general health is much improved."

There will be an open meeting at the Y. M. C. A. on Sunday afternoon. Everyone is invited. Rev. E. A. Allin deliver an address.

The Elks dancing party will be given this evening in Elk hall. Refreshments will be served, there will be good music and a pleasant time is anticipated.

Dee Holden and J. C. Davis left for the camp at Backus yesterday afternoon where they will hunt during the first week or ten days of the deer season.

Tonight Rev. H. W. Knowles will speak at the Trades and Labor assembly. Rev. Mr. Knowles is an excellent speaker and his talk tonight will be interesting and every laboring man in the city should hear him.

The Northern Pacific will sell from any station in Minnesota, Wisconsin and North Dakota to any other point on its lines tickets for a fare and one-third for the round trip, account Thanksgiving, the dates of sale being November 29 and 30, good returning December 4.

Camp No. 2337, Modern Woodmen, has formed a Woodman quartette composed of Richard Isle, Frank A. Ponth, John A. Hoffbauer and John W. Nyquist, assisted by Mr. Erickson. The camp has furnished the singers with music, and they will help to enliven lodge meetings.

The regular session of the Germania Maennerchor was not held Thursday evening, but has been deferred to next Sunday afternoon, Nov. 12, at 2 o'clock at Baker's hall, where all members are requested to meet. A group picture will be taken by Chas. Isle, which will be published in the next issue of the "Fest Zeitung," the official publication of the St. Paul Saengerfest.

Mrs. A. V. Snyder entertained a few lady friends last evening at her home at "500." A very pleasant evening was spent, the host proving herself as always a delightful entertainer. In the absence of a guest, who did not arrive until late, Mrs. Snyder invited Mr. F. A. Farrar in to fill up a set, and either the bewildering intricacies of the very fascinating game or the general effeminate atmosphere of the occasion carried Mr. Farrar off his feet, notwithstanding he has played with prize teams in the Red River Valley Whist tournament, and he was awarded the "booby" prize—a hair tray. Mrs. Spalding won the head prize.

## THE BIG SHAFT IS DELUGED

Work is Suspended on the Pickands-Mather Company Shaft On Account of Water

### GOOD VEIN OF ORE IS STRUCK

Just Before the Water was Encountered—Another Boiler And Pump Ordered

There is more trouble on account of water in the big Pickands-Mather company shaft, a vein of water which completely deluged the shaft having been struck at a point about 50 feet in the cross-cut.

Just before the water was encountered, however, a rich vein of high grade ore is said to have been struck which is of more encouragement than anything that has yet been encountered on the Cuyuna range.

So good are the prospects since this vein was struck that extra means have been provided for to take care of the water. A new boiler and another large pump has been ordered which will be placed in position as soon as it arrives. This will make three huge pumps in operation and it is thought that they will have capacity enough to keep all the water out.

### Presented With Fine Robe

A few days ago Mrs. W. B. Jones, of Sylvan, assisted by some Brainerd friends of Mrs. Jones, got together and bought a fine robe and two of the finest horse blankets for Rev. Harry W. Knowles and presented them to him and he and his horse will be kept warm this winter. The gift was so completely a surprise that Rev. Mr. Knowles feared Mr. Erb had made a mistake and sent the goods before a contract was closed, as he had been looking at the wares a few days before in a contemplative mood.

## BUSINESS MEN FORM SYNDICATE

For the Purpose of Buying up  
City and County Property  
On Delinquent List

### AN IMPORTANT MOVE MADE

Prompted by the Fact that Taxes  
Are Made Exorbitant by  
Nonpayment of Taxes

There was a meeting last night of a large number of business men, called for the purpose of forming a syndicate to take up a large part of land and city property on the delinquent tax list now being offered for sale by County Auditor Mahlum. A substantial pool was formed for the purpose and it is anticipated that within a short time much of this property will be taken up.

To the uninterested this sort of a syndicate might at first not seem to work real benefit but when it is known that the business men who met last night are doing this for the purpose of lessening the taxes of the city and county then the plan will meet with the approval of all.

Attention will be particularly paid to city property and they will at once enter into negotiations with the county auditor. In the city alone there is approximately \$100,000 of delinquent tax, and in many instances the property owners are abundantly able to pay their taxes. The purpose of the syndicate is to eradicate the element that do not or will not pay taxes on their property, thus burdening those who do pay taxes with even greater amounts than they should pay for the support and maintenance of the city, county, and state governments.

When the taxes become delinquent the burden becomes heavier each year, for there is a certain amount of money that must be raised to conduct public affairs, and then too there is the added expense annually of taking care of these lists. In this county during the past year \$2,504 alone was expended for stationery and supplies to handle these lists besides the extra help and other incidental expenses connected therewith.

The purpose of this syndicate then is to lessen the tax and to this end the pool has been formed and there will be much turning over of real estate both in the city and the county.

### AITKIN MAN KILLED

Set a Gun for a Deer and He Himself  
Stepped Into the Trap and was  
Killed

W. F. Caldwell, of Aitkin, was killed near Big Willow river, sixteen miles north of Aitkin. He was building a house for W. E. Dean, an Iowa man, and Tuesday night he set a gun for deer. The following morning, forgetting where he set the gun, he ran into it. He was shot in the leg above the knee and died a short time afterwards. He was about 50 years of age.

## LIGHTS WILL BE OFF

Break Down at Electric Light Plant  
Necessitates Shutting Off Lights in  
Residence Portion

Just before dinner the main pulley at the electric light power house was smashed into a thousand pieces and as a result a large portion of the plant will be compelled to shut down for ten days or two weeks. During that time the lights on the northside, East Brainerd and Southeast Brainerd will be shut off so householders in those localities will govern themselves accordingly.

It will take at least ten days to get a new pulley as it was necessary to send to Dayton, Ohio, to the manufacturers, to get a new one, and this cannot be done in less time than ten days.

A New Jersey Editor's Testimonial.

## WEATHER IS NOT GOOD

Today is the Opening of the Deer Season,  
But the Weather is Most Unfavorable for Hunting

The open season for deer started today and so far there have been fewer men who went into the woods than on the first day of the open season for many years. The weather conditions have considerable to do with this. The weather at present is most unfavorable for hunting deer and unless there is a change there will be very little of this game brought down.

The Lycium company entertainment at St. Francis church on Monday evening, Nov. 13, will be one of the very interesting events of the month in Brainerd. They have a large stereopticon lantern with pictures illustrating a fine lecture on the "Dogmas of Faith." Prof. Norris, a celebrated baritone, will render several selections on the occasion. The event is being looked forward to with considerable interest. The tickets will be but 50 cents.

## MUSIC AND DRAMA.

"DOWN BY THE SEA."

The successful playwright is one who can properly blend the elements of pathos and comedy. The author of "Down by the Sea," has done his work successfully and a more pleasing dramatic entertainment has not been seen on the stage for a long time. It is a play full of human interest; tender sentiment, manly spirit and wholesome comedy. Those who fancy "Down by the Sea" a sort of "blood and thunder" melodrama will find themselves deceived by a series of stage pictures as unique and delightful as those in "Way Down East" and "Shore Acres." The acting company have been prominent previously seen here in good roles with stars and companies. The attraction will be seen here soon. Special scenery is carried for every act and new and up-to-date specialties will add to the production.

## TEACHERS VISIT SCHOOLS OF CITY

Little Falls Teachers Here Today  
And Visit Different Schools  
Of City

### A COMPLIMENT TO BRAINERD

Excellent System in the Schools  
Of Brainerd Brings Them  
Here at This Time

Twenty-seven teachers from the Little Falls schools arrived the city this morning and are spending the day going through the different rooms in the various buildings.

Supt. H. E. White, of the Little Falls schools, is chaperoning the young ladies and they have spent a most profitable and interesting day. It is no small compliment to Brainerd at this time to have the Little Falls teachers visit here, as formerly it has been a custom of the teachers to either visit the St. Cloud or Minneapolis and St. Paul schools one day of the year. Last spring Supt. White visited various schools in the state to ascertain the results with a view to taking the teachers to the schools where the best work was being accomplished. After a thorough investigation the Brainerd schools were selected as being about as near perfection as any other school that he visited.

Among the teachers who are present today are:

Central School—Elsie MacMartin, Beginning, Bessie Burrall, A 1; Rowena Brewster, 2; Mary MacArthur, 3; M. P. Costello, 4; Belle H. Dodge, 5 and 6; Grace Chalgren, 7.

Columbia—Dora Young, A 1 and 2; Rose Vasaly, 2 and 3; May Simmons, 4 and 5; Thori Swanson, 8; Sigrid Swanson, 6 and 7.

Hawthorne—Jessie Potter, Beginning; Clara Kiof, A 1; Etta Patterson, 2nd; Lillian Ireland, 3 and 4; Gertrude Alley, 5; Emily Mosford, 6; Sadie Barton, principal and 8.

Lincoln—Clara Schibursky, Beginning; Louise Fahey, A 1; Florence Christianson, 2; Narcissa Cundy, 3; Clara Belanger, 4; Villa Wallace, principal and 5; Jennie Ready, 6 and 7.

Deerwood is also represented here today, Prof. F. N. Burrall and Miss Clark, the two teachers there, having arrived this morning to visit the schools also. The teachers were all entertained at luncheon today.

Car fancy pears on M. & I. R. R. tracks to be sold to the consumer cheaper than apples and will stand up all winter. Car open until 10 o'clock at night. Smithson, Grower.

### Edward Baxter Perry

Mr. Edward Baxter Perry will be seen at the First Congregational church on Monday evening, Nov. 13. The Paris Messenger has the following to say regarding this artist: "Last evening Mr. E. Baxter Perry, of Boston, gave a program which taxed every resource of the modern virtuoso, and showed a technical grasp and scholarship seldom equalled, even in these days when the piano is supposed to have yielded all its secrets. He is entitled to a high rank among the players of the world."

Winter coughs are apt to result in consumption if neglected. They can be soon broken up by using Foley's Honey and Tar. H. P. Dunn & Co. mfwlm

### To California Without Change.

The North-Western Line has inaugurated through tourist car service to California; these cars leave Minneapolis and St. Paul every Tuesday, Thursday and Saturday and are modern, wide vestibuled cars. For information as to rates, train service, etc., write to T. W. Teasdale, G. P. A., St. Paul.

Obstinate constipation, indigestion and stomach disorders are permanently and positively cured by taking Hollister's Rocky Mountain Tea. 35 cents, tea or tablets. H. P. Dunn & Co.

There will be an excellent supper given in Walker's hall, Saturday evening, Nov. 18, by the Woman's Exchange. One of the good things on the menu will be Elks' hash. Supper will be served from 4 to 8 o'clock at 25 cents. Any person wishing to dispose of handiwork, will please leave it at Mrs. McDonald's, 218, 7th street, for the sale of the same that evening. 1352f

### SHOT THROUGH THE HEART.

Wisconsin Man Murdered While Driving Along Road.

Marinette, Wis., Nov. 10.—Frank Lucas of Menominee was murdered late in the afternoon while driving along the state road north of here, a rifle bullet entering his heart. A coroner's jury found Lucas died by a shot fired by unknown persons. It was at first believed the shot was accidental, but an investigation showed there was a clearing on each side of the road giving a view for some distance and the shot was fired from a clump of bushes near the road. Lucas leaves a family.

## A STRENUOUS PARSON

Rev. Harry Knowles Has Rather an Exciting Experience While Duck Hunting

Rev. H. W. Knowles, the able and versatile pastor of the M. E. church is very fond of hunting and fishing, and in his endeavor to enjoy the sport has had some very exciting experiences, but the doughty divine always comes out on the top. His latest experience in duck hunting we give in his own words as related to THE DISPATCH:

"You do not know—do you—that I dropped 15 ducks with three shots last Saturday—got ten—and fell with four ducks in one hand and my gun in the other into the river. I turned under water three times before I could get my feet and get out. My duck boots kept my feet up while I was on my back—and when I managed to get right side up they dragged me down with their weight of water. It was five hours before I got a change of clothes. Came out all right. Not so bad for a tender foot. Sorry I could not get the other ducks, but they fell in the woods, save one, and that dove and got away in hiding. I was only 30 minutes getting the ducks and the ducking. Swift work that."

### Deafness Cannot be Cured

by local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When the tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Brainerd Has To Bow To The Inevitable—Scores Of Citizens Prove It

After the reader has read the public statement of this representative citizen of Brainerd given below, he must fairly, squarely and honestly come to this conclusion: "A remedy which cured years ago, which had kept the party in good health since, can be relied upon to perform the same work under similar circumstances. Read this:

Chris Hanson, of 1412 E. Oak St., Brainerd, Minn., says: "The lapse of time has not diminished my confidence in Doan's Kidney Pills which I recommended in a testimonial given in 1898. As I stated at that time, we found this remedy to be a sure cure for children afflicted with weakness of the kidneys. Our boy has been troubled in this way at night, but Doan's Kidney Pills which we got at H. P. Dunn & Co.'s drugstore, gave him prompt and effective relief. Since then I have used Doan's Kidney Pills myself for backache and they banished my trouble in short time."

For sale by all druggists. Price 50 cents. Foster Milburn Co., Buffalo, N. Y., sole agents for the U. S.

## ELECTIONS IN ALBERTA.

Liberals Appear to Have Made a Clean Sweep.

Ottawa, Ont., Nov. 10.—It looks at present as if the Liberals made a clean sweep in the day's elections in Alberta. Light constituencies have been heard from and all have gone Liberal. The opposition leader, Bennett, has been defeated in Calgary.

Premier Rutherford and his colleagues, Cross and Cushing, were elected. The constituencies which have been heard from and all of which have gone Liberal are Edmonton, Calgary, St. Albert, Strathcona, Vermillion, Victoria, Stony Plain and Athabasca.

## GOES NORTH ON SPECIAL

General Manager Gemmell, of the Minnesota & International, Arrived From the South and Left for North

General Manager Gemmell, of the Minnesota & International, arrived in the city today from the south and this afternoon left for the north on a special on a trip of business of importance in connection with the extension of the M. & I. and expects to be gone several days. The work on the extension is progressing rapidly and it is expected that the work will be completed within the allotted time, 30 days.

## FRIENDLY WARNING

No Need to be Alarmed About Stomach Troubles if  
you use Mi-o-na—Cure Guaranteed by

H. P. Dunn & Co.

The most frequent affection of the stomach is catarrh, as the delicate membrane which lines the stomach is easily irritated by harmful food or overeating. Keep a strict watch for the first symptoms of stomach trouble. Take this friendly warning in the spirit in which it is given and profit by it.

Shortness of breath, black specks before the eyes, furred tongue, dizziness, belching of gases or sour food, weakness and debility are all signs of catarrh of the stomach. There is no need to be unduly alarmed, for this

disease can be cured by Mi-o-na. It is the only remedy that strikes at the root of the evil and actually cures the disease.

It does not contain opium in any form, acids, alcohol, or any other harmful drug or chemical. It is a pure remedy that heals the irritated mucous membrane, stimulates the solar plexus, and aids digestion.

Ask H. P. Dunn & Co. to show you the guarantee under which they sell Mi-o-na. It costs but 50 cents a box, and your money is returned if it does not help you.

## AFTER TEN YEARS

of Suffering, Wife of the Prominent Attorney is Relieved in the Most Peculiar Manner.

Friends of Mrs. Herbert E. Day, wife of the prominent attorney of that name, residing at No. 3701, Pleasant Ave., Minneapolis, Minn., are marveling at the wonderful change in her appearance.

Mrs. Day has suffered for about ten years with an affection of the stomach that did not seem to yield to treatment and which grew worse and worse until she looked very unlike her former self.

When Mr. Cooper the philanthropist, recently visited Minneapolis and the whole city was talking about the new medical wonder, Mrs. Day heard of the marvelous cures that were being effected with Cooper's New Discovery.

She determined to try it and is now rejoicing at the wonderful benefit she has received. In a recent letter to Mr. Cooper she said: "My old trouble is fast disappearing. After ten years of wakeful nights and poor appetite, I appreciate the good refreshing rest that I have enjoyed since I began taking the New Discovery medicine, and to have once more a good appetite with a perfect digestion is indeed a blessing. My general health is much improved."

Cooper's New Discovery cures Stomach Trouble, Kidney Trouble, Catarrh, Deafness, Blood Diseases and Paralysis and sells for one dollar per bottle. Cooper's Quick Relief and Assistant Remedy costs fifty cents. H. P. Dunn & Co., Mr. Cooper's Special Agents for Brainerd, have the medicines for sale.

## WITH MACHINE GUNS

COSSACKS SUPPRESS MUTINY OF SAILORS AND SOLDIERS AT CRONSTADT.

ALARM AMONG OFFICIALS

MORALE OF THE TROOPS BADLY SHAKEN BY REVOLUTIONARY PROPAGANDA.

St. Petersburg, Nov. 10.—This city was in a furor of excitement all day and late into the night over the news of the mutiny at Cronstadt. Every one of the exaggerated reports of the affair received credence in many quarters and half the inhabitants of the capital believed that the mutiny was successful; that the troops sent from here had joined the revolt; that the entire garrison at St. Petersburg would follow suit and that the town of Cronstadt had been burned to the ground, together with the surrounding forts.

The place was represented as being in the hands of 8,000 sailors, who had murdered their officers, seized the arsenal and bombarded the imperial palace at Peterhof, across the bay. Butchery was said to have prevailed in the streets all day and rumors even went to the extent of saying that Father John of Cronstadt had left the bed on which he was supposed to be dying to lead the mutineers.

Many of the sensational reports were, of course, entirely false, but sufficient details have been received to prove that about 3,000 sailors and a battalion of artillerymen from one of the forts indulged in a mutiny, which was only put down by about 7,000 Cossacks and troops of the imperial guard hastily dispatched from St. Petersburg and from the garrisons near Peterhof and that

Machine Guns Had to Be Employed.

Before the arrival of the troops the sailors, many of whom were drunk on liquor plundered from the spirit shops, had set fire to the market and several groups of houses. About 200 sailors were still holding out at midnight and, although these are expected to surrender soon, the authorities became so alarmed that the Paul regiment of the guard was dispatched to Cronstadt. The governor of Cronstadt telegraphed the general staff at midnight that the mutiny had been crushed; that there was no likelihood of a renewal of the riot; that reports to the effect that members of the guard had joined the mutineers were false and there was no truth in the reports that the mutineers had seized the arsenal and forts.

At this critical juncture there is no attempt made in government circles to minimize the seriousness of the mutiny, and it is admitted that if a battery of artillerymen joined the sailors in open revolt the mutinous spirit must have been contagious. It is also admitted that while the Cossacks and the guards stood the severe test of shooting upon their fellows in another branch of the service there is a fear that the mutiny will have a bad effect upon the morale of the troops, which already has been badly shaken by the revolutionary propaganda.

APPEALS TO ROOSEVELT.

Jewish Leader Asks President's Aid to Stop Atrocities.

Washington, Nov. 10.—Simon Wolf, former president of the B'nai B'rith, has sent the following appeal to President Roosevelt:

"To the President of the United States—The man that sidetracked precedents by ending the coal strike, that conjured peace between Russia and Japan and who has in a hundred ways showed marvelous versatility and courage, can he not take the initiative and bring about concert of action to stem the cruelties in Russia?"

"How long is this ghastly, fiendish holocaust to continue?"

Mr. Wolf is now heading a movement to raise funds for the relief of the stricken Jews in Russia pending any action that may be taken by the United States or other nations of the world. He points out that 25,000 Jews have been killed and 100,000 have been injured during the recent massacres in Russia.

COUNCIL OF EMPIRE.

Half Will Be Elected and Half Appointed by Czar.

St. Petersburg, Nov. 10.—The project for the introduction of elected members of the council of the empire, or the upper chamber of the Russian parliament, which was part of Count Witte's original programme, as approved by the emperor, has been completed, but it has not yet been finally approved. According to the project half the membership of the council will be elected and the other half appointed by the emperor.

Jumped From Bridge.

Minneapolis, Nov. 10.—W. G. Bray, fifty years old, jumped from the steel arch bridge above St. Anthony falls at 2 o'clock a. m. Bray and a cousin, William Bray, were on the way home. He had had trouble at his home and was despondent. Without giving any warning of his intention, he climbed to the rail of the bridge and jumped into the river. A widow and three children survive him.

## Be sure to use a Cream of Tartar Baking Powder

ROYAL Baking Powder is Made of Cream of Tartar and is Free From Alum or Phosphatic Acid

Royal Baking Powder is pure and wholesome beyond question. There is never any doubt of the healthfulness nor of the superiority of the food it leavens.

Consumers are sometimes solicited to buy baking powders other than Royal because they cost less. It is evident to cost less they must be made of inferior ingredients.

Low-priced baking powders—10c., 20c., 25c., etc.,—are made from alum, phosphate or other harsh acid

At most, an alum powder would not lessen the cost of a cake or batch of biscuit more than the fraction of a cent. But can you afford for any sum to endanger your health by making your food with a dangerous baking powder?

"I regard the use of alum baking powders as highly injurious to the health of the community, and believe that their sale should be forbidden by law."—GEO. F. BARKER, M.D., University of Pennsylvania.

IRISH SOCIETIES MEET.

Object to Alliance Between Great Britain and America.

New York, Nov. 10.—Sentiments in opposition to anything tending to bringing about an alliance between the United States and Great Britain were given expression at a meeting in Cooper union under the auspices of the United Irish societies. Speakers declared that the arrival in American waters at this time of the British squadron under command of Prince

Louis of Battenberg was not for social courtesies, but was planned in the interest of an alliance between the two nations.

Justice Victor J. Dowling presided at the meeting, which was addressed by former United States Senator Towne and a number of other speakers. Resolutions in denunciation of alliance of the United States with Great Britain were adopted.

A parade which had been planned to take place in connection with the meeting was not held.
